

Capitol Dialysis

**Unsurpassed Patient Care
is Our Commitment**

AMERICANRENAL[®]
associates

Capitol Dialysis, in partnership with American Renal Associates, provides state-of-the-art outpatient dialysis services to the Washington DC community.

American Renal Associates is a national provider of dialysis services. Together with our physician partners we provide exceptional care and services to patients who choose to receive treatment in one of our facilities located throughout the U.S.

Advanced Dialysis Care

Capitol Dialysis is staffed by a dedicated interdisciplinary team of healthcare professionals who are committed to the finest patient care and quality of life.

- We are dedicated to working with patients and their families to provide the highest quality care.
- We know how to listen and respond to the unique needs of dialysis patients.
- We staff our clinics with caring and experienced dialysis professionals.
- We provide in-center hemodialysis, peritoneal dialysis, home hemodialysis, and nocturnal dialysis to meet the needs of our patients.

Comfort and Convenience

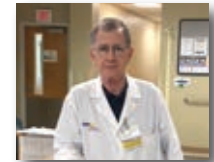

Capitol Dialysis is a state-of-the-art hemodialysis facility designed for patient comfort and individual dignity. They offer convenient scheduling for all shifts.

Our outpatient facility offers:

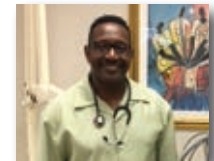

- All schedules available, flexible hours
- State-of-the-art dialysis machines
- Heated massage chairs for patient comfort
- Individual flat screen satellite TVs
- Wireless internet access for all patients
- iPad entertainment system.

Treatment Options

In addition to conventional in-center hemodialysis, we also offer home hemodialysis, peritoneal dialysis, and nocturnal dialysis.

Home Hemodialysis

- Improved quality of life
- One-on-one training
- 24 hour access
- Control of your schedule
- Travel flexibility

Peritoneal Dialysis

- Less stress on the body
- Fewer dietary restrictions
- Employment and social freedom
- No needles

Nocturnal Dialysis

- More gentle to the body
- Fully reclining chairs allow for comfortable sleeping
- Daytime hours are freed up
- All else stays the same
