

The Nephrologist™

Is the Center of Our Universe

“Western Nephrology decided to partner with American Renal Associates based on ARA's outstanding reputation for focusing on providing high quality, patient care in the best possible environment.”

- Michael S. Anger, M.D., Westminster, CO

Visit us at **BOOTH 603** at the ASN Kidney Week
2015 in San Diego, CA from November 3 - 8.

American Renal Associates Offers You

- **Integrated Care** – Greater autonomy in your dialysis facility, much like an extension of your practice, gives you greater decision-making and control.
- **Physician Driven Care** – As an owner, your patients will receive exceptionally high quality dialysis treatments.
- **Operational Management** – ARA's operating expertise and core competencies are your advantage.
- **A Proven Model** – Our track record is unsurpassed!
